

Ken Montville
7630 District Governor Elect, RY 26/27
Rotary Club of Salisbury

Ken Montville was born in Washington DC and eventually ended up over in Prince George's County living in Greenbelt and Glenn Dale before he and his late wife, Jan, retired to Ocean Pines on Maryland's beautiful Eastern Shore. Although Ken and Jan had no children, they enjoyed living near the ocean until Jan succumbed to pancreatic cancer on New Year's Eve in 2022.

His first exposure to Rotary came from business associates who encouraged him to join Rotary which he did in 2010 with the Rotary Club of Parole (Annapolis). It was there that Ken really started to dig into the Rotary experience. He participated in all three sections of the Rotary Leadership Institute and joined the RLI faculty. About the same time, he became involved in the Leadership of the Club and eventually became the President of the Club. He joined the Rotary Club of College Park in 2016 and became President of that Club as well.

When Jan decided to retire from the US Department of Agriculture it came time to move to a place with a quieter, more laidback lifestyle. So Ken decided to let his real estate license expire after 20 years of selling residential real estate in the Prince George's and Montgomery County area.

Ken joined the Rotary Club of Salisbury after meeting its then President-elect at Chesapeake PETS and hasn't looked back. Even with the interference of the Covid lockdown in 2020 Ken stayed involved. He initiated one of the Club's service projects (Operation Warm) with the help of a District grant and became the Club's Rotary Foundation Chair.

Ken loves all things Rotary and has a soft spot in his heart for the Rotary Foundation in particular. He is a Level 2 Major Donor, Paul Harris Society member, Bequest Society member and a Foundation Benefactor.
